

Technical drawing of a water tap assembly (JIS 13) showing dimensions in millimeters (mm). The drawing includes a side view of the tap handle and a front view of the tap body. Key dimensions are labeled:

- Overall height from the base to the top of the handle: (134.5)
- Height from the base to the center of the handle: (36.0)
- Distance from the base to the center of the tap body: (261.5)
- Distance from the base to the center of the tap body (including the handle): (276.5)
- Distance from the center of the tap body to the center of the handle: (61.5)
- Distance from the center of the tap body to the center of the handle (including the handle): (19.0)
- Distance from the center of the tap body to the center of the handle (including the handle): (50.0)
- Distance from the center of the tap body to the center of the handle (including the handle): (56.0)
- Distance from the center of the tap body to the center of the handle (including the handle): (19.0)

The drawing also includes a label "JIS 13" and a note "JIS 給水栓取付ねじ 13 (Ø20.955)" indicating the standard and the size of the tap body.

※2 WLからの水栓寸法はクランクのねじ込み幅により変化する。
